

2016 HARRIET & JERRY DEMPSEY RESEARCH CONFERENCE

BUILDING BRIDGES BETWEEN GREENVILLE HEALTH SYSTEM AND CLEMSON UNIVERSITY

GOAL & FUNDING

Our goal is to build and strengthen bridges between **research** at Clemson and **medical practice** at GHS. Funding is provided through the Harriet and Jerry Dempsey CU/GHS Bioengineering Professorship awarded to Dr. Dan Simionescu and the Harriet and Jerry Dempsey CU/GHS Industrial Engineering Professorship awarded to Dr. Kevin Taaffe.

INTRODUCTIONS

- Jerry Dempsey – GHS Board of Trustees, Clemson alumnus
- Spence Taylor – President, GHS Clinical University
- Eugene Langan – Chief of Surgery, GHS
- Windsor Sherrill – Chief Science Officer, GHS
